

AHMAD ABDUL AZIS

FULL STACK DEVELOPER

Bekasi , East Java | (+62)85695439181 | ahmadazis3004@gmail.com | www.linkedin.com/in/ahmad-abdul-azis-ba55901b2 | <https://github.com/Ahmadabd3004> | <https://portofolio-ahmad.web.app/>

SUMMARY

Hi, i am ahmad. i am a fresh graduate from vocational high school and want to have a career in the world of information technology. That's why I decided to join hacktiv8 to develop what I've learned in school before. I am a hard working person and always do my best in everything I do. In group work, I can work well together, communicate with other members well, and do my best in the part that has been given to me with full responsibility .

EDUCATION

Hactiv8 Indonesia (May 2022 - September 2022)

- Remote class Full Stack Javascript (FSJS) batch 26 (Zurich Fox)
